9. Click **Create account**.

The screenshot shows the IBM Cloud account creation interface. At the top, there's a dark header with "IBM Cloud" in white. Below it, the page is divided into two main sections. The first section, titled "2. Verify email" with a green checkmark, states "Your email is verified." and has an "Edit" link with a pencil icon. The second section, titled "3. Personal information" with a green checkmark, shows "Personal account" details: "Howard Doe" and "United States", also with an "Edit" link. A prominent blue button labeled "Create account" with a right-pointing arrow is highlighted with a red circle. Below this button, there's a section for marketing preferences: "IBM may use my contact data to keep me informed of products, services and offerings:". It includes two checked checkboxes: "by E-mail" and "by telephone". Further down, there's text about withdrawing marketing consent and a link to the "IBM Privacy Statement". At the bottom, it says "I accept the product Terms and Conditions of this registration form."

10. You may or may not have to login. If not prompted to login, skip to the next step. Otherwise, to log in, enter your **IBMId** and click **Continue**. Enter your **Password** and click **Log in**.

11. You should be taken to the Acknowledgement page. Scroll down and click on **Proceed** after reviewing the Privacy Information and acknowledgement.

Your rights

Our [Privacy Statement](#) provides more information about your personal data rights. It also provides contact information if you have questions or concerns regarding our handling of your personal data.

Acknowledgement

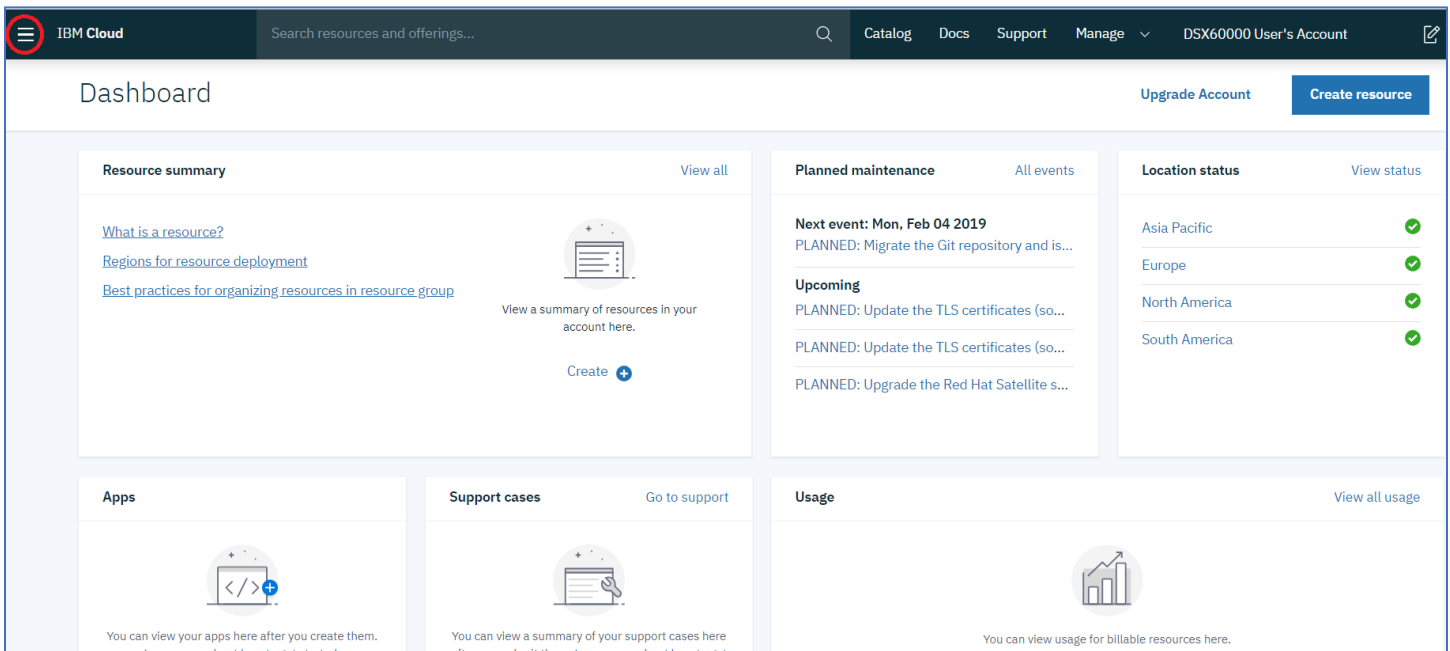

I acknowledge that I understand how IBM is using my Basic Personal Data and I am at least 16 years of age.

12. You are now on the IBM Cloud landing page. Click on the hamburger icon  in the top left area of the screen

The screenshot shows the IBM Cloud dashboard. At the top, there is a dark blue header with the IBM Cloud logo, a search bar, and navigation links for Catalog, Docs, Support, and Manage. The user's account is identified as DSX60000 User's Account. Below the header, the main content area is titled "Dashboard" and includes links to "Upgrade Account" and "Create resource". The dashboard is divided into several sections: "Resource summary" with links to "What is a resource?", "Regions for resource deployment", and "Best practices for organizing resources in resource group"; "Planned maintenance" with a "Next event: Mon, Feb 04 2019" and a list of planned events; "Location status" with a table showing the status of resources in different regions; "Apps" with a link to "Go to support"; "Support cases" with a link to "Go to support"; and "Usage" with a link to "View all usage".
